## Condition of Gear on Day of Rental

(If you do not list an item, it is assumed that it has no damages)

Item	Damages

1. I, \_\_\_\_\_, have inspected all the gear that I have rented, and any previously existing damaged or missing parts have been noted on this form in the table above. It is my responsibility, for my own security, to test out any gear before signing the rental agreement and going on my trip.
2. I agree to return all gear **Clean, Dry, Complete**, and in **Full Working order** as assessed by the rental staff by the “expected return date”. I understand that:
  - a. There is a **\$10** per item charge for each item this is returned dirty or wet.
  - b. I am responsible for the full costs involved in the repair or replacement of damaged, lost or stolen equipment.
  - c. Equipment returned late will be subject to a **\$10** late fee plus rental fee for additional days.
  - d. If the equipment is not returned in satisfactory condition as assessed by the rental staff by the due date, UCSB Adventure Programs reserves the right to apply additional charges, including but not limited to replacement of equipment, and that my deposit may be forfeited.
  - e. I understand that UCSB Adventure Programs can take up to a week to fully evaluate the condition of returned equipment.
  - f. If gear is late, damaged, wet, or dirty deposit checks will be held for one month or until all charges are paid in full.
  - g. I understand that if I fail to pay any additional fees, my deposit may be forfeited and charges may be applied to my BARC account.
  - h. I understand that the rental center is **ONLY** open during limited times. I can only return gear during open hours and will not be able to return gear elsewhere at the Rec Cen. Visit <http://recreation.sa.ucsb.edu/facilities/rentals/outdoor-gear-rentals> for current hours.
